## **Documentation of Medical or Psychological Condition**

This form is intended for licensed health care providers to complete to support the provision of academic accommodations for eligible students at UC Santa Cruz. Under the Americans with Disabilities Act or the Rehabilitation Act, disability is defined as **any physical or mental impairment** that **substantially limits one or more major life activities** such as: caring for oneself, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, or working.

Please return to the Disability Resource Center at UC Santa Cruz in a timely manner so that we can support the implementation of accommodations and equal educational access. Thank you for your time in filling out this form.
